

INDUSTRIES, ENERGY AND LABOUR DEPARTMENT

Mantralaya, Mumbai 400 032, dated the 22nd November 2007

NOTIFICATION

INDIAN ELECTRICITY RULES, 1956.

No. IER. 2007/CR-76/NRG-3.— In exercise of the powers conferred by rule 133 of the Indian Electricity Rules, 1956, the Government of Maharashtra hereby, directs that the provisions of rule 47 A of the said rules shall not, subject to the conditions specified in the Schedule appended hereto, apply for installation and testing of generating units of a capacity exceeding of 10 kw but not exceeding 200 kw makes the following Rules namely :—

Schedule

(Conditions on which the provisions of rule 47A of the Indian Electricity Rules, 1956, shall not apply for installation and testing of generating units of a capacity exceeding 10 kw but not exceeding 200 kw.)

(1) The Electrical Engineer in-charge of the installation or an authorised Electrical Contractor of the consumer or occupier, as the case may be, who intends to commission his generating plant of a capacity exceeding 10 kw but not exceeding 200 kw shall :

(a) (i) perform all requisite tests of the generating set, record the results thereof ;

(ii) satisfy himself that it shall withstand the application for which it is intended to be used ; and

(iii) submit an application to the Inspector for approval of charging his installation, alongwith the results of the test specified in clause (i) and may also submit a self-signed certificate to the effect that such commission shall withstand the application for which it is intended to be used ;

OR

(b) after submitting an application for charging, as aforesaid, charge the installation and immediately inform in writing the Inspector the date of the charging and pay the requisite fee for the inspection ;

(2) if the installation is charged under clause (B) of paragraph 1, within a period of two months of such charging, the electrical engineer in charge of the installation or an authorised licensed electrical contractor of the consumer or occupier of the installation shall get such installation inspected from the Inspector.

(3) if the Inspector does not accept the certificate of the manufacture of any particular apparatus or equipment certifying the tests, he may direct the consumer or occupier of the installation to carry out such tests as he deems necessary.

(4) if the Inspector serves an order under sub-rule (4) of rule 5 of the India Electricity Rules, 1956, it shall be necessary for the supplier, owner or occupier to comply with the same within the period specified therein ; but in any case not later than three months from the date of charging the installation.

By order and in the name of the Governor of Maharashtra,

V. M. BAGADE,

Under Secretary to Government.
